

American Eagle Bank Draft Service

Would you like for American Eagle to draft your bank account for your monitoring fees? Many of our customers are already being drafted and find it very convenient. It also allows us to keep our rates low.

Will you allow us to draft your account? If so, please read the following, sign it and return this form with a **VOIDED** check.

As a convenience to me, I hereby request and authorize:

American Eagle
3300 North Main Street Suite D
Anderson SC 29621

To draft my checking account for my security system monitoring invoices. Each bank draft will occur quarterly on or about the 25th of the month due in my billing cycle.

I agree to honor such withdrawals as if each bank draft were a check written for a payment on my account and signed by me. This authority remains in effect unless you receive my signed notice of termination.
